

Value Account

Who is the Value Account for?

The value account is a salary package tailored to suit all expatriates' various needs.

What is the salary range required to open a Value Account?

KD 150 – KD 399

What does the Value Account offer its customers?

The value account offers its customers a chance to win KD 4,000 quarterly.

What are the draw eligibility rules?

Value customers should have their salaries credited in the three months prior to the draw date. Every KD 10 in the account gives the customers one chance of winning.

How will I be notified if I win?

The winners will be posted on our website and our official social media channels. In addition to that, you will be notified and congratulated by your branch.

How will winners receive the prize?

The prize will be credited to the winners' account within 2 business days.

What other benefits does the Value Account offer?

Special discounts at selective stores and a free credit card for the first year.

How will the credit card fee be paid?

Instead of paying your yearly charges for issuing & renewing your credit card, with the Value Account we have made it affordable by paying the yearly fee as a monthly installment of KD 2.5.
